Dear Dom Lipa Families, Friends, Employees and Supporters,

In this communication, we provide information regarding an update of the COVID-19 status, information about our Lipathon 2021 fundraiser, career opportunities at Dom Lipa and Ontario's new QR codes to show proof of vaccination.

### **Covid-19 Update**

We are pleased to report that on October 11<sup>th</sup>, Toronto Public Health declared the recent Covid-19 exposure over at Dom Lipa. We were pleased to see no transmissions of the Covid-19 virus to residents or staff during the exposure.

There is still time to support Dom Lipa by going to the Donate page. Remember to select 'Lipathon' as the reason for your donation. Go to <http://www.domlipa.ca/donations>

You may also mail a cheque to the address below.

Over the next two years, we are facing over \$1 million of required work given the age of the building, including significant roof maintenance, and replacing the original heating and air conditioning. We need your help!

Thank you to all our donors, who together have raised \$85,510 to date to benefit our seniors at Dom Lipa. Please help us reach the \$130,000 we raised last year!

*Together we can! Skupaj zmoremo!*

### **Join our Team**

Dom Lipa is recruiting for the following positions: Director of Care, Registered Nurse and Personal Support Workers. More details are available at <https://www.domlipa.ca/current-career-opportunities>

Year after year on satisfaction surveys, residents confirm that they would recommend Dom Lipa to their friends and family as a lovely place to live. Join the team that helps our seniors to be happy!

### **QR Code now proof of COVID-19 vaccination**

This past week, the Ontario government made an enhanced vaccine certificate, by implementing an official and individualized QR code on it. These certificates are easily accessible to download, on the COVID-19 Ontario homepage. (See <https://covid-19.ontario.ca/proof-covid-19-vaccination>) The portal is open to any individual, who was vaccinated in Ontario, to download their enhanced vaccine certificate, which can be shown to businesses via phone or printed out.

With these new documents, it will make it easier and more convenient for individuals to provide their proof of vaccine, when required to do so. It is everyone's responsibility to ensure we are all safe, while out in the community, so please try to download your own enhanced vaccine certificate and encourage your family and friends to do the same. For more information about this enhanced vaccine certificate, read the full news release in the Ontario Newsroom (see <https://news.ontario.ca/en/release/1000979/enhanced-covid-19-vaccine-certificate-with-qr-code-and-verify-ontario-app-available-for-download-starting-october-15>)

Enjoy the autumn and stay safe!

Sincerely,

The Board of Directors of the Slovenian Linden Foundation – Dom Lipa
