Dear Family,

Golden Care Dental Services offers a wonderful personal health care opportunity.

We recognize the need to provide in-home dental care clinics to treat the residents of Long Term Care and Retirement facilities who are unable to travel to a conventional dental office.

**THE FIRST STEP IN THIS PROCESS IS TO PROVIDE AN ASSESSMENT.
THIS IS DONE AT NO COST OR OBLIGATION.**

*The assessment will take place at Dom Lipa on
Monday August 24, 2020.*

Following the assessment, we would like to send you information about our services and then call you personally to discuss the programme and answer any questions you might have.

Participation is your choice.

If you do not want the assessment, or if you do not want your contact information to be released, please contact the Administration office of Dom Lipa.

Thank you very much.

Dr. Martin Kushner
